Astrology Birth Chart Of A Eunuch

Astrology is an occult and supernatural science. The Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Rahu, Ketu and Chiron constantly emit rays. These rays combine with the rays of the cosmos and at a particular location, jointly write the future of the newborn child in its most nascent form. The whole world is run according to a well defined plan. The divine plan is well arranged. It is timed with amazing precision. Nothing happens by chance - even the birth of a eunuch.

Birth Stars Causing Gender Loss

Our zodiac has 12 solar mansions, of which odd signs Aries ♈, Gemini ♊, Leo ♌, Libra ♎, Sagittarius ♐ and Aquarius ♒ are male signs and Taurus ♉, Cancer ♋, Virgo ♍, Scorpio ♏, Capricorn ♐ and Pisces ♓ are female ones. Sun, Mars and Jupiter are male planets while Moon, Venus, Mercury and Saturn are female. Mercury has hermaphroditic tendencies.

Two common signs ruled by Mercury, i.e. Gemini and Virgo, the other two ruled by Jupiter, i.e. Sagittarius and Pisces, as well as constellations ruled by Mercury,

i.e. Ashlesha, Jyeshtha and Rewati have common gender tendencies.

Ardhanarishvara exists even today, as our bodies, sometimes expressing primitive genetic behavior by giving birth to a transgender, i.e. a child with incomplete male and female sex organs.

Moon in ascendant in common signs, with Saturn and ill aspect on Mercury by Mars may produce eunuchs. Gemini and Sagittarius produce she-males with male behaviour and Virgo and Pisces produce she-males with female behaviour.

When Libra and Scorpio signs or Venus and Saturn are afflicted in IV or VII house, it may be in the form of both being retrograde, ill-positioned or having ill aspect from Mars, Rahu, Ketu and Neptune. They affect the proper development of male or female organs and as such, the body lacks organs developed due to male/female hormones. This lack of proper internal and external sex organs leads to the birth of a eunuch.

In such cases, affliction to Venus, Moon, Mercury and Saturn, along with Venus/Moon dominance, produces female eunuchs, whereas above affliction with Mars/Sun dominance produces male eunuchs.

Not all eunuchs are subjected to castration, as some may not need to be. Some are subjected to castration when their Mars is heavily afflicted with Saturn and/or Ketu.

Natal Chart of a Eunuch

Born February 2, 1990, Mumbai

Zodiac signs Gemini and Sagittarius pass through our own star-studded stormy galaxy. If planets fall there, the person is destined to a stormy and hectic life. If these planets are evil / retrograde or have bad association, series of negative events are in store for that person. If it is luminary i.e. Sun-Moon, eye-trouble is sure to come with fluctuating degree. Loss of vision due to some or other reasons is to be experienced. If planets of sex, emotions, male and female hormones, i.e. Mars or Venus are afflicted due to retrogradation,

association with Asteroid / Comet / Proto-Comet Chiron or Trans Saturnine planets Uranus, Neptune and Pluto, malady related to sex and sexual life is experienced. The degree of affliction / association determines the gravity of sexual capability from mild to extreme ones.

We analyse the nativity of a real eunuch here. She has hair all over her body, has a developed full-length penis with proper size testes. What lacks is erection and ejaculation. She has female behaviour instead and prefers to go with a male for a possible unnatural sex.

Her Moon is in Mars' sign where both are in trine, but Mars is conjoined with Uranus and Neptune making her prone to physiological and hormonal disturbances. Again, Moon is in Ketu's constellation Ashwini and Ketu on IX cusp in negative sign Cancer indicates curse of last birth from mother side.

Her chart clearly indicates the stellium in Sagittarius where Mars-Uranus-Neptune-Mercury-Saturn-Venus is in chain conjunction. Venus is retrograde and retrograde Jupiter - Chiron opposes the whole chain. All these 8 planets / pro-comet are posited in star-studded high action Milky Way. This may make her a celebrity. Mercury, Saturn and retrograde Venus conjunction opposed by retrograde Chiron made her a eunuch. Chiron's affliction amounts to the wound on the soul that never heals.
